RE: Dr. Thomas J. Natoli Annual Founder's Award

* * * * *

The Child Development Foundation Board of Directors is very pleased to announce that we will present the Founder's Award (named in memory of Dr. Thomas J. Natoli) at the annual cocktail party in June. Dr. Natoli founded the Child Development Center to provide outstanding, comprehensive medical and educational services for thousands of special needs children in Montgomery County.

There are so many kind and generous individuals who give so willingly of their time and effort to better the lives of the children we serve as did Dr. Natoli. We would like to honor that individual in a very special way when we meet in June to distribute the grants.

If there is an employee or a volunteer in your organization whom you feel has been exceptional in his or her work with the children you serve, please place his/her name in nomination in the space provided below. We would appreciate your responses to the questions listed along with the reasons why you believe this individual should be honored. Please submit this form with your completed 2014 Grant Application.

As always, we commend you and your organization for your caring and commitment to the special children we all serve.
